MESSAGE

I am glad to know that DRAUPADI Rehabilitation Empowerment Awareness Medi-care Trust is bring out its 10th Year Publication titled 'A Decade in Service: Of Marginalized women, youth & our Common Cultural Heritage.'

The Trust is encouraging entrepreneurship in Women/Youth by giving them meaningful direction through research, consultancy and training opportunities. The consistent focus of the Trust on social development work in the rural and deprived urban areas is praiseworthy.

I am confident that the DRAUPADI Trust would continue to strive further, as they have always done in the past, to uphold the virtues of excellence, independence and integrity which have become the hall mark of Trust.
